A sophomore right-hander, Sam Mowery, stole the show as the Gettysburg college baseball opened its season with a 4-3 victory over Johns Hopkins university here Wednesday afternoon.

Mowery, who relieved George Hare in the fifth inning, hurled shut out ball the remainder of the game and gave up but one hit. The hit was a fluke on a fly ball which Leroy Bixby misjudged in center field and allowed to fall behind him after over-running the

Mowery won his own game in the eighth when he beat out a bunt for a hit to squeeze in Hare from third base with the deciding run. Hare had opened the inning with a double to center field, his second hit of the game.

Coach "Hen" Bream's lads broke the scoring deadlock in the third when Ray Reider beat out an infield hit and Boxby followed with a homerun drive down the left field foul line.

Hare suddenly developed a wild streak in the top of the fourth. A pair of walks and a single loaded the bases with none out. A wild pitch and passed ball permitted a run each and Myers' single produced another run.

Gettysburg knotted the score with a run in the last of the fourth Hare and Shaulis worked a double, steal, Hare going home from third on the try for Shaulis at second base.

A sophomore right-hander, Sam Mowery, stole the show as the Gettysburg college baseball opened its season with a 4-3 victory over Johns Hopkins university here Wednesday afternoon.

Mowery, who relieved George Hare in the fifth inning, hurled shut out ball the remainder of the game and gave up but one hit. The hit was a fluke on a fly ball which Leroy Bixby misjudged in center field and allowed to fall behind him after over-running the

Mowery won his own game in the eighth when he beat out a bunt for a hit to squeeze in Hare from third base with the deciding run. Hare had opened the inning with a double to center field, his second hit of the game.

Hare suddenly developed a wild streak in the top of the fourth. A pair of walks and a single loaded the bases with none out. A wild pitch and passed ball permitted a run each and Myers' single pro-

duced another run. Gettysburg knotted the score with a run in the last of the fourth. Hare and Shaulis worked a double steal, Hare going home from third on the try for Shaulis at second

# **ELLIOTT'S TWO** HOMERS CHASE GIANTS' BLUES

Associated Press Sports Writer) Bob Elliott's crashing two-homer debut chased the Monte Irvin blues out of the Polo Grounds.

New York Giant fans, dubious of the value of a 35-year-old Boston Brave "castoff" came to the Polo Grounds last night to be shown. Elliott sure showed them. He made Irvin's ankle fracture seem less tragic.

When the Giants bought Big Bob from the Braves, April 8, for \$50,000 and pitcher Sheldon Jones, Manager Leo Durocher shouted "He'll be my crasher." Now the fans know what Leo meant.

Good Report On Irvin First a home run deep into the

upper left field seats in the fourth inning. Then No. 2 into the right field seats in the eighth. Elliott sprayed new optimism into the Giant cause.

Just a few hours before Elliott ruined opening night for Robin Roberts, the doctors sewed together Monte Irvin's torn ligaments. They said the 1951 runs batted in champ might be ready to pinch hit in late July. Elliott's performance and this optimistic report on Irvin miracle of '51.

Elliott's home runs plus steady ! made New York's first night opener batsmen. a success with a 5-3 win over the Phillies. It was Sal the Barber's He struck out eight and restricted his trouble to the three-run fifth.

Musial Gets Hot The Braves staggered through a pasting from the slugging Brooklyn Springs. Dodgers. The Brooks flattened Max Surkont in the first inning and kept it up all day for 20 hits, including five by Duke Snider and a homer, double and single by Roy Campanella.

That man from St. Louis-Stan Musial-got hot with the bat to drive home three runs with a homer and double in the Cardinals' second straight night victory over Pittsburgh, 6-5. The Cards ripped Howie Pollet, a former teammate, for five runs after two were out in the seventh.

Vic Raschi got the world champ New York Yankees off winging in their drive toward a fourth straight pennant with a 8-1 romp over the Philadelphia A's. Big Vic needed help from Johnny Sain when he developed a wild streak and walked two straight in the ninth after pitching two-hit shutout ball for the first eight frames.

Browns Win Again The Yanks clubbed Scheib in the ninth when they scored five runs

and boosted their hit total to 14

three by Mickey Mantle. Cleveland and the surprising St Louis Browns kept step in their two-way tie for the American league lead. The Indians nipped Chicago, 1-0, on rookie Jim Fridley's homer and Bob Lemmon's three-hit pitching while Rogers Hornsby's Brown-

ies clipped Detroit, 5-1. Floyd Baker, supposed to be a "good field, no hit" man, won a bases-loaded single off Boston's Ellis open date in the National.

On April 9, 1952, the United States District Court for the Southern District of New York entered a final judgment. with the consent of all parties, which ended four years of litigation between Harry Ferguson, Inc., and Ford Motor Company and others. It was ordered and adjudged that:

- 1. The sum of \$9.250,000 shall be paid to Harry Ferguson. Inc., as royalties on Patents Nos. 1.916.945; 2.118.-180: 2.223.002 and 2.486.257.
- 2. Ford Motor Company shall not manufacture, after December 31, 1952, such tractors, and Dearborn Motors Corporation shall not sell any such tractors manufactured after December 31, 1952, as have
- (a) a pump having a valve on its suction side, as for example in the present Ford 8N tractor, arranged to be automatically controlled in accordance with the draft of an implement, or
- (b) a pump for a hydraulically operated draft control system for implement control and a power take-off shaft both driven by the lay shaft of the transmission, as for example in the present Ford 8N tractor, or
- (c) a coupling mechanism on the upper portion of the center housing, of the form employed in Ford 8N tractors manufactured prior to November 22, 1949; and Ford Motor Company and Dearborn Motors Corporation must affix a notice on any long coupling pins, manufactured by them, to the effect that the

- pin is sold only for replacement on 8N tractors made by Ford prior to November 22, 1949. This notice will continue to be affixed until October 25, 1966.
- 3. The Ford Motor Company and Dearborn Motors Corporation shall have a period of time, expiring not later than December 31, 1952, in which to make these changes.
- 4. All other claims and counter claims are dismissed and withdrawn on the merits.

A copy of the consent judgment is available to anyone interested in reading it.

This settlement between Harry Ferguson, Inc., and The Ford Motor Company resolves the issues. The inventions in their entirety with which this action was concerned will be found only in the Ferguson Tractor and in the Ferguson System in the future.

It is fitting that farmers all over the world ... and especially in the Americas . . . shall continue to look to Ferguson for fulfillment of all that these inventions contribute to a greater and more prosperous agriculture. Better implements, better farming practices, more abundant production. and lower farming costs have resulted from the Ferguson System as employed in the Ferguson Tractor.

Now, indeed, the Ferguson with the one and only complete Ferguson System is the tractor that meets more of the needs of more of the farmers more of the time. This can be proved to you at a demonstration on your own farm. Such a demonstration can be quickly arranged by telephone. Won't you call us about it?
